

Proposal Planning

Starting at \$75

We know picking who to marry is the hardest and nerve racking decision you can make. So let us take away the burden and stress of how to express the love you have for your special person.

This is the beginning of your forever together, so lets start it off on a meaningful and memorable note.

- Free introductory meeting to get to know you and your vision before booking
- Design the proposal
- Scout location for proposal
- Help find photographers, videographers, and other vendors to make this moment even more special
- Set up the proposal
- Unlimited email, text, and phone communication
