

Baby Shower

Starting at \$100

We know that being a parent is hard, especially when it is the first child. So let us take away the burden and stress of planning a party celebrating the life of the newest edition to the family.

This is the beginning of your family, so let's start it off on a meaningful and memorable note.

- Free introductory meeting to get to know you and your vision before booking
- Design the shower
- Scout location for shower
- Help find photographers, videographers, and other vendors to make this moment even more special
- Set up the shower
- Unlimited email, text, and phone communication
